CAROLINE JONES DOG WITH A BONE NECKLACE \$185 FROM POMME REAR 138 MAIN STREET MORNINGTON 5976 3000

## Throwing you a bone Tuesday, 4th May 2010

Thanks to the millions of you who wrote letters of love to me on [Friday](#) for the movie date tomorrow night. Jacinta says my weather reports are a silver lining, Zoe loves me more than NYC (huge call), Sarah has loved me for eight years and Kate loves me enough to get towed from a clearway outside Obus. So thanks everyone, wish you could all come. I've told the girls who are coming, thanks everyone else. I really love you all too. Next time mes amis.
